Biography

I work at ETR Associates with the Resource Center's Effective Practices Collection, which is funded by the Corporation for National and Community Service. As the Resource Center's Service-Learning Liaison I work closely with the staff of the National Service-Learning Clearinghouse, also housed at ETR Associates. Additionally, I am a member of the CalServe Region Five Service-Learning Advisory Consortium, through which I received certification as a service-learning trainer. Prior to my professional career I served a year with AmeriCorps*NCCC and earned a Bachelor's Degree in Communication from UC Santa Barbara.
